# To the student

Welcome to *Interchange Third Edition*! This revised edition of *New Interchange* gives you many more opportunities to learn and practice English. I am confident this book will help you improve your English! The course combines topics, functions, and grammar. You will learn the four skills of listening, speaking, reading, and writing, in addition to vocabulary and pronunciation.

Each book has 16 units divided into sections, and each section has its own purpose. The **Snapshot** usually introduces the unit's topic with real-world information. The **Word Power** presents new vocabulary. The **Conversation** is a natural, fun dialog that introduces new grammar. You then see and practice this language in the **Grammar Focus**. The **Pronunciation** exercises help you sound like a native speaker.

In the **Listening** section you hear people speaking in many different contexts. You talk in pairs, in groups, or as a class with the many **Speaking** activities. In the **Interchange activities** you talk even more freely about yourself. These fun activities let you share your own ideas and opinions. Finally, at the end of each unit, you read about and further discuss the unit's topic in the **Reading** section.

Frequent **Progress checks** let you check your own development. In these self-assessment exercises you decide what material you need to review.

The **Self-study Audio CD** contains the conversations from the unit for extra listening practice. Your CD also has a section with new, original audio material. You can use this in class, in a lab, or at home with the Self-study exercises at the back of this book.

I think you'll enjoy using this book and hope you become better, more confident learners of English. Good luck!

*Jack C. Richards*

# Two Special Houses in the American Southwest

Scan the article. Where is Ms. Cisneros's house? Where is Ms. Nelson's house?

In San Antonio, Texas, there is a purple house. This house is the home of Sandra Cisneros. Ms. Cisneros is a Mexican-American writer. She is famous for her interesting stories. The house has a porch with a pink floor. The rooms are green, pink, and purple. There are many books and colorful paintings. Many other houses near Ms. Cisneros's house are white or beige, so her house is very different. Some of her neighbors think her house is too colorful, but Ms. Cisneros loves it.

Every year, many people visit Arizona to learn about Native American tribes. Most people stay in hotels, but some people stay in traditional Native American homes, called *hogans*. # RICKY MARTIN

Scan the article. What three cities did Ricky Martin live in?

Ricky Martin was born in San Juan, Puerto Rico, on December 24, 1971. He was always a performer. As a child, he appeared in television commercials and studied singing.

At the age of 12, he joined the Latin boy band, Menudo. He worked hard with them, and he became very well known. But he left the group after five years.

Martin moved to New York City, but he didn't work for a year. He was very frustrated, so he moved to Mexico City and got a part on a Mexican soap opera. Soon afterward, he recorded two Spanish-language albums. After this success, he moved back to the U.S.

Back in the U.S., he appeared on an American soap opera and in the Broadway show, *Les Misérables*. Then he made his first English-language album.

That album was called *Ricky Martin*. His biggest hit, "Livin' La Vida Loca," was on that album.

Now he's famous around the world. But he still works hard, and he still loves singing. As he said to a reporter for the newspaper *USA Today*: "I want to do this forever."
